

The purpose for having a uniform in place at Cascade Christian School is to help reinforce the identity of our school and to provide a safe and modest learning environment. All uniform pieces (except polo shirts, available at the school) are required to be purchased through the uniform provider, Lands' End. *****No substitutions, additions or variations from other retailers such as Gap, Old Navy, Children's Place, etc. will be permitted** (except for tights/leggings).

The Uniform Policy is a Board level approved policy and is expected to be followed and will be enforced. Students not wearing proper uniform (as described below) will be subject to discipline and/or sent home until proper uniform is worn. Please speak to the Principal, Mr. Morrow, if you have a special concern or circumstance. Thank you for your cooperation!
