Kindergarten Program

Our Kindergarten program is a flexible full-time program. We start the year with a few weeks of early dismissal in order to allow the students time to adjust to being at school every day. After that they will be at school for the regular hours. We strive to make your child's first experience in school a positive one.

Prior to the start of September classes, we will schedule an orientation morning for all of the students in the Kindergarten class. It is a time when your child can meet their teacher as well as future classmates. This orientation session will be held in the spring prior to the new school year.

The first week of school, all of the Kindergarten students will come on the first day of school from 8:20am-12:00pm (unless otherwise determined by the teacher). During that first week, there will be a day dedicated to students meeting individually with the teacher (at assigned times at school) and they will also come to school for one other day, with half of their classmates, to be introduced to the classroom routine.

A variety of age appropriate and educational field trips are planned for the school year. We use School-Day for electronic field trip permission forms. You will receive an email a week or so before a scheduled field trip to electronically give permission for your child to participate. If parent drivers are required that option will be noted as part of the permission form. Drivers must complete a volunteer form, a driver form and a free criminal record check. Please ask the office for details on how to apply for a criminal record check.

Throughout the school year, parents will be well informed of classroom activities through a monthly newsletter as well as a monthly calendar.

The following items are to be brought to school in September:

1. \$50 fee for school supplies
2. Backpack large enough to carry a legal-sized folder
3. Lunch kit
4. Non-spill water bottle with a straw (Contigo brand)
5. Indoor shoes to be left at school (velcro straps only; no flashing lights)
6. Personal headphones to be left at school
7. Spare set of clothing including underwear and socks (does not have to be uniform) for accidents that might happen during the day

**Please label all personal items, including clothing, with your child's name.*

Below are a few classroom routines for Kindergarten:

- **Morning Routine**

Supervision is provided outside from 8:00 until 8:20 each morning. The bell rings at 8:20 signaling students to line up to be given permission to come inside as a class. Students are expected to hang up their coats and bags, put on their inside shoes, hand in their folder, and sit in the gathering area. We begin our daily routine each morning right at the 8:25 bell.

- **Parent Involvement**

There are opportunities for parents to volunteer and visit in the classroom. A parent helper form will be sent home at the beginning of the year which will outline some of these opportunities. Parents are encouraged to stop by if they have any questions about what is happening in the class. A good time to connect is usually right after school. Parents can also email the teacher directly to set up an appointment time.

- **Homework/Reading**

Reading at home as well as at school is a very important part of our education program at Cascade. Our Super Reader Program is an elementary-wide program through which we encourage each student to read or be read to for a minimum of 20 minutes per session a minimum of 20 times per month. Parents are asked to initial a record sheet each time reading takes place. This program earns student prizes at the end of 100 and 200 nights of reading (prizes are sponsored by our local Kiwanis Club). A second reading program will start in October/November. This is an individual home reading program. Again, this reading should take place on a nightly basis. The time for this can also be counted towards the Super Reader Program. Additionally, students will have Bible memory verses to learn. These will be practiced during class time with the expectation of additional practice at home.
