

UNIFORM POLICY

2026/2027

Purpose

The purpose of having a uniform in place at Cascade Christian School is to help reinforce the identity of our school and to provide a safe and modest learning environment. Furthermore, the uniform helps reduce competition between students due to financial inequality or for students feeling the need to have the "right" clothes in order to fit in.

The Uniform Committee endeavors to provide a variety of options from which students and families can choose. After much consideration, the Committee chose Lands' End as our uniform provider because they offer the best overall quality, consistency of available items, discounts/sales as well as the most variety of clothing options/styles.

General Expectations

All uniform pieces (except T-shirts and polo shirts, which are available at the school) are required to be purchased through the uniform provider, Lands' End. No substitutions, additions or variations from other retailers will be permitted unless otherwise indicated on the uniform options list or special permission has been granted by the Uniform Committee.

Uniform items are to be properly fitted and maintained in good condition (no rips or stains). They are expected to be worn every day unless special circumstances apply.

The Uniform Policy is a Board level-approved policy and is expected to be followed and will be enforced. Students not wearing a proper uniform will be reminded of the policy and/or sent home until the proper uniform is worn. Please speak to the Principal, Mr. Morrow, if you have a special concern or circumstance. Thank you for your cooperation!

Used Uniform

Families are invited to purchase items from our used uniform store. Used and new items are available for purchase the 2nd and 4th Wednesday of the month in the front foyer. Contact the office for more details.

Order Instructions

Shop online at: landsend.com (there is also a link on our school webpage – cascadechristian.ca)
